Benefitting the preservation of the Evergreen Plantation Manor House

Great Music, Greater Good

Thanks to the support of business professionals like yourself, we are able to continue our Summer Concert Series. Your sponsorship goes directly to preserving the Evergreen Plantation Manor House. This once bustling and glorious home serves as a tangible link to the people and events that shaped our community—and its restoration and adaptive reuse is critical to sustaining what is best about our area. The home is listed on both the Virginia and National Register of Historic Places for its architecture and its Civil War significance.

This year's Concert Series features FIVE fantastic bands ALL FREE - ALL FRIDAYS. Food and beverage including beer and wine are offered for sale.

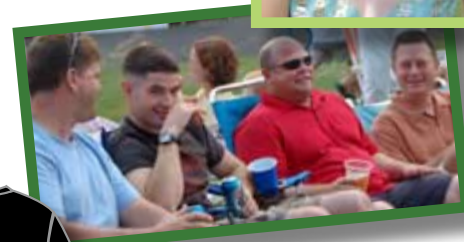

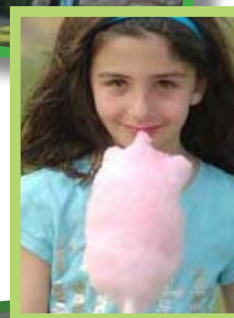

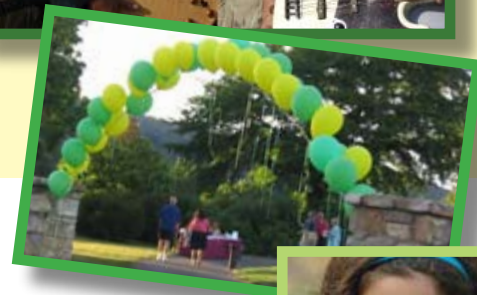

June 11 — Blue Tips Rhythm Revue

June 18 — Standing Room Only

June 25 — Old School

July 16 — Wil Gravatt Band

July 23 — Glass Onion Band
